

Technician positions available!

The project „*Towards new methods of extracting thermodynamic properties from X-ray data of model polymorphic systems*” is funded by the **HOMING** programme from the **Foundation for Polish Science**.

We are looking for **1 technician in the chemistry**.

Candidate's profile:

- Knowledge of structural analysis of small-molecule crystals
- Knowledge of crystallography and diffraction measurements will be considered a strong advantage
- Basic knowledge about lattice dynamics
- Interest in data analysis
- Experience working in a collaborative setting
- Good level of written and spoken English

Application should include:

- Motivation letter, Curriculum Vitae.

Candidate should expect:

- A full-time contract of employment 2 500 PLN/month netto salary for 3 months

Selected candidates will be invited for an interview in English, in person or via Skype/phone

Applications should be submitted to dr Anna Hoser by e-mail: [a.hoser@uw.edu/pl](mailto:a.hoser@uw.edu.pl) till 20th of July 2018.

Please include in your offer: “I hereby give consent for my personal data included in my application to be processed for the purposes of the recruitment process under the Personal Data Protection Act as of 29 August 1997, consolidated text: Journal of Laws 2016, item 922 as amended”

Projekt: „*Towards new methods of extracting thermodynamic properties from X-ray data of model polymorphic systems*”
współfinansowany w ramach Programu Operacyjnego Inteligentny Rozwój, w ramach programu “HOMING” Fundacji na rzecz Nauki Polskiej
