### **An announcement for post-doc position**

Position of post-doc in the OPUS 16 project of no. **2018/31/B/ST4/00406** entitled "Interactions of statins with biological membranes – implications for safe systems of drug delivery" financed by Polish National Science Centre is open for application.

Project leader: prof. Renata Bilewicz.

Available positions: 1.

#### **We are looking for motivated candidates:**

- with a PhD degree in chemistry (or a PhD student with open dissertation, the PhD degree is required in moment of hiring),
- good knowledge of English,
- experience in electrochemistry and/or surface analytical techniques,
- good team working abilities,
- interest in chemistry of drugs and bioelectrochemistry.

The candidate must meet the requirements of art. 113 of the Act - Law on Higher Education and Science dated July 20, 2018 (Journal of Laws of 2018, item 1668 as amended).

#### **We offer:**

a temporary contract with the University of Warsaw (full time position/employment contract in the Faculty of Chemistry University of Warsaw) from January 1, 2020 for 1 year with the possibility of extension for another year.

#### **Required documents:**

- Curriculum Vitae (CV),
- information on the processing of personal data (please use a template available at: <http://www.chem.uw.edu.pl/oferty-pracy/>),
- letter of motivation,
- list of scientific publications, stipends and awards,
- list of meetings with titles and authors of presentations,
- 1 recommendation letter of a person familiar with PhD thesis of the candidate.

Please submit the documents **no later than 20.11.2019** to: [bilewicz@chem.uw.edu.pl](mailto:bilewicz@chem.uw.edu.pl) and [dorotamatyszewska@chem.uw.edu.pl](mailto:dorotamatyszewska@chem.uw.edu.pl) (PDF is the preferred format). E-mail entitled: "Post-doc position application"

Selected candidates will be informed about the date of the interview by e-mail before 26.11.2019. The results of the competition will be given by e-mail till 12.12.2019

The competition is the first stage of the employment procedure as an academic teacher, and its positive outcome is the basis for further proceedings.
